Members that have not paid dues and assessments by March 1st will forfeit all priorities for renewal of facilities assignments.

**New Requests:** If you are using this form for a *new request* in mid-season, then make a check for the total amount payable to **Monmouth Boat Club**. Mail this form with payment to the Financial Secretary's address listed on top left of this form.

#### Wait Lists for new requests:

If your request is a new request, please contact the facility supervisor before submitting your request to determine availability. New requests for facilities will be assigned as they become available to persons in first order who have submitted a properly completed *facility request form* with *payment*. If the facility is not available your payment is held as a *wait-list deposit*. This deposit is applied as payment for your requested facility in the year in which the facility is available and assigned. Requests are not accepted with incomplete information or lack of payment in full. If you want a refund of a facility wait-list deposit, then contact the facility supervisor to remove your name from the wait-list and submit a request to the Financial Secretary for a refund.

**Terms and Conditions:** Assigned summer yard and dock facilities are reserved starting from the day after *floats-in*, until the day before *floats-out*. All boats must be removed from the east side of the yard prior to *floats-out* and *floats-in* work parties. All boats must be off the Ice Boat property (west side) by November 1.
