...The enjoyment of the Navesink River through boating

## 2022 Class Championships

This championship is awarded to the sailor from each class with the best 24 races on the Navesink. This includes regattas and series.

The best 24 races are calculated by dropping a competitor's worst races until 24 are left to score. All scores are calculated using the hi-point average system described in the SI's.

A competitor must complete 24 races (including RC service) to be eligible for the championship.

**NOTE:** on 9/3 standings were corrected to delete the fall 2021 series for the calculations
